A first for Tennesseans, Perry's Steakhouse & Grille opened Thursday, February 25, at 5028 Aspen Drive in McEwen Northside.

Franklin, TN (February 25, 2021) – The wait is finally over – Perry's Steakhouse & Grille has officially opened its doors at 5028 Aspen Drive in McEwen Northside – a new urban hot spot development in the heart of Cool Springs. A first for Tennessee, every detail of the 11,000 square foot restaurant was deliberately selected to create a *Rare and Well Done®* dining experience for the Franklin area and beyond.

“Perry’s is so proud to call the Greater Nashville community home,” said Chris Perry, founder and owner of Perry’s Restaurants. “Remaining true to our butcher shop roots planted more than four decades ago, we’ve grown to focus not only on quality USDA-aged Prime steaks as the cornerstone of an award-winning menu, but also on serving a unique dining experience in a beautifully, vibrant environment. We are excited to finally welcome guests to see, and continue to enjoy, what we have created specifically for our new friends in Greater Nashville.”

The 11,000-square-foot restaurant includes a stunning main dining room that provides glimpses of chefs creating innovations in the kitchen, a stunning wine wall, as well as four private dining rooms.

Elegant & Modern Design

The freestanding 11,000 square-foot restaurant will seat up to 350 guests at full capacity but will open adhering to social distancing guidelines and upholding the highest cleaning standards. Devoted to Perry’s philosophy of design and architecture, this location was built specifically for the Greater Nashville community.

Perry’s Cool Springs’ expansive main dining room will provide a view of chef creations in the kitchen, a spectacular wine wall and four beautifully appointed private dining rooms, ideal for meetings and family celebrations. Guests will revel in the energy at Perry’s Bar 79, named after the year Perry’s was founded, and delight in sipping handcrafted cocktails at a beautiful island bar with glass walls that open to patio dining flanked by two fireplaces.

A Rare and Well Done® Dining Experience

Perry’s enjoys three key attributes that have become characteristic of the signature brand: the award-winning menu, the impeccable service, and the vibrantly elegant, yet comfortable atmosphere. For more than four decades, Perry’s has been skillfully carving up those three elements for its patrons to deliver an experience that is truly Rare and Well Done®.

Perry’s has remained true to its roots with its butcher-fresh Prime USDA-Aged steaks, signature tableside carvings, flaming desserts, as well as its iconic menu item – a mouth-watering, seven-finger-high pork chop. Other fan favorites include signature steak additions as well as innovative seafood entrees created by Perry’s Master Development Chef Rick Moonen, a Celebrity Chef and member of the American Culinary Hall of Fame and the nation’s leading authority on sustainable seafood.

Bar 79, named after the year Perry's was founded, features a beautiful island bar with glass walls that open to patio dining.
