PHOENIX (June 8, 2026) – The wait is over – Perry's Steakhouse & Grille has officially opened its doors at Northside at SanTan Village, located along Loop 202 SanTan Freeway. As the brand's first restaurant in Arizona, every detail of the 11,000 square-foot restaurant was deliberately selected to create a *Rare and Well Done®* dining experience for Gilbert residents.

A first for Arizona, Perry's Steakhouse & Grille opens in Gilbert today Monday, June 8, at 1865 S. SanTan Village Pkwy.

"Perry's is proud to call Phoenix home," said Chris Perry, founder and owner of Perry's Restaurants. "For more than 40 years, we've worked to stay true to our butcher shop roots, focusing on quality USDA-aged Prime steaks, and creating a unique dining experience in a beautifully vibrant environment. We're excited to welcome our Gilbert guests and share what we've created for the greater Phoenix community and visitors."

Gilbert Bar & Patio

A Rare and Well Done® Dining Experience

Perry's enjoys three key attributes that have become characteristic of the signature brand: the award-winning menu, the impeccable service, and the vibrantly elegant, yet comfortable atmosphere. For over four decades, Perry's has been skillfully carving up those three elements for its patrons to deliver an experience that is truly *Rare and Well Done*.

Perry's has remained true to its roots with its butcher-fresh Prime USDA-Aged steaks, signature tableside carvings, flamed desserts, as well as its flagship menu item – a mouth-watering, seven-finger-high pork chop. Other fan favorites include [Caramelized Prime Rib Thursday Dinner](#), Beef Wellington, signature steak additions as well as innovative seafood entrees created by Perry's Master Development Chef Rick Moonen, a Celebrity Chef, a member of the American Culinary Hall of Fame, and the nation's leading authority on sustainable seafood.

Perry's Famous Pork Chop

An unexpected steakhouse specialty, Perry's Famous Pork Chop is a mouth-watering chop measuring seven fingers high — just as butchers measured back in the day. Sweet, smoky, sizzling, and gluten-free, the chop is butchered in-house, rubbed with proprietary seasoning, cured and roasted on a rotisserie with pecan wood for up to six hours. Upon order, the chop is glazed, caramelized and topped with Perry's Signature Steak Butter, then carved tableside (during dinner service only). A recipe perfected over four decades, the pork chop is plated as three portions: the "eyelash" (the most marbled, tender, melt-in-your-mouth section above the eye of the chop), three baby-back ribs and the center-cut loin.

Perry's iconic [Pork Chop Friday® Lunch](#) features a lunch-cut portion of the chop, whipped potatoes and homemade applesauce for \$22 on Fridays from 10:30 a.m. to 5 p.m. (the only day of the week when Perry's is open for lunch service). The first Pork Chop Friday will be held on **Friday, June 12, 2026**. The pork chop lunch special is also available TO-GO every Friday from 10:30 a.m. – 5 p.m.
